SPECIFICATIONS AND SCHEDULES OF SPECIFICATION AND SCHEDULS OF SPECIF

track or spur, and bidders should inform thmselves as to the switching charges of the railroad companies at these various institutions before submitting their proposals. Freight and all other charges must be prepaid. All proposals must include delivery at herein stated, free of charges for packing, freight, switching, or any other charges whatever.

When no mention is made, when this resoluting, boots, shoes, etc., must be furnished in such sizes as ordered by the execusive officers of the several institutions. When no particular brand is designated, bids shall be on qualities grading from medium to best, and on samples submitted. When no specifications as to grade or quality are made, the standards of the United States government are to be understood. All supplies must be new and fresh. No articles will be received not in accordance with the standard fixed in specifications. All articles will be subject to rigid inspection, and bidders are cautioned that full compliance with specifications and schedule will be insisted upon. All articles that may in any respect fall to conform to the specific kinds called for or to the samples submitted will be rejected, and must be promptly exchanged, at the expense of the contractor, for others which are proper and acceptable and on fallure to do this the Boards may purchase in the open market, and any loss arising from such fallure shall be charged to the contractor so failing. The determination in all cases, as to whether the articles received comply in all respects with the standard fixed in the specifications or schedule, or with the samples submitted, and ashall be final.

Bids must be made upon the within proposals. Discounts of every kind should be deducted and net prices only given. The proposal shall be accompanied by a sample of the supplies proposed to be furnished, and in case of boots, shoes, and other made articles, thil mate to be inclosed in packages containing samples.

Each proposal shall be accompanied by a sample of the surple and the number and price of

Particular attention is called to the fore-

going specifications, as a careful reading of the same may prevent a large number of inquiries on points already covered.

Duplicate specifications and schedules are furnished each bidder one to be sent to the Secretary of the Board, as above provided, and the other to be retained by the bidder. Such duplicates will be furnished upon application to the Secretary of the Board of Control, Topeka, Kan.

By order of the State Board of Control, State Board of Corrections, and State Board of Administration.
